

Hobart Multidisciplinary Balint Group - Expression of Interest.

Roseanne Brumby and Frank Meumann are interested in establishing a multidisciplinary Balint group for GPs and mental health clinicians in Hobart. The Mental Health Professionals Network (MHPN) will provide administrative support, resources and funding for this network.

At this stage we would like to gauge interest in establishing a multidisciplinary Balint group.

The following link provides information about Balint Groups and what happens in Balint meetings.
