

# Community Coordinated Palliative Care Multidisciplinary Case Conference Guide

**Resources Available**

Download the Multidisciplinary Team Meeting Manual, Client & Family Information Sheet and Consent Form, and associated templates at:  
[www.gpsouth.com.au/pcp.html](http://www.gpsouth.com.au/pcp.html)

- Referral Criteria**
- All new clients from the region admitted to the Palliative Care Service including those in the local Residential Aged Care Facilities;
  - Palliative care clients with complex needs;
  - Palliative care clients whom the clinician is concerned about and would like input from other members of the multi-disciplinary team;
  - Palliative care clients being discharged from hospital who is being referred back to the region.
- Note:**
- A minimum of three care providers, including the GP, must be present for the GP to claim MBS.
