Molescan Sandy Bay GP sessional work available: Opportunities to provide skin clinic services to a large patient base requiring skin diagnostic scanning and procedures. If you are interested in this clinical area and are looking for additional high value clinical experience. Please call the **Practice Co-ordinator on 0438 658 832.**

Afterhours Rosny Practice: Single sessions available.

We are a private billing clinic on the Eastern shore at 7 Ross Avenue (opposite MacDonalds). The clinic has operated over 3 years for 'urgent' clinical work (not an 'emergency clinic) on 'civilised' hours of Monday to Friday 6 – 9 pm and on weekends 1 – 9 pm (can include a split session of 1 – 4 pm). The guaranteed rate is \$150 per hour and you can expect to receive over \$180 per hour. Patient consultation information is faxed to the patient's own GP on the day – no ongoing patient management is required. If you are interested in occasional or routine sessions in the new year please call the roster co-ordinator on **0438 658 832**

Sandy Bay Doctors – GP position available: Outstanding facilities with flexible hours. Locally based friendly family medicine practice. As a private billing clinic, we offer the best guaranteed rates in Hobart. Practice includes purpose built generous consulting rooms each with separate aircon and views of the mountain, a treatment room complete with the ideal clinical facilities including; autoclave, ECG, an automated defib, and nurse support. You can choose your own hours (between 9 – 5, lunch 1-2), we schedule approx. 4 patients per hour and there is no out of hours commitments. We are locally owned and managed, please call the managing doctor partner on **0407 481 510.**
